PERINTHALMANNA

INCRETIN NEXUS

Bridging Physiology and
Metabolic Therapeutics

"Where Physiology Meets Precision Therapeutics"

Organized by

**Department of Physiology,
MES MEDICAL COLLEGE**

Perinthalmanna, Kerala, India

June 6, 2026

Welcome Note

Dear Delegates,

The rapidly evolving landscape of metabolic medicine has positioned incretin-based therapies at the forefront of contemporary clinical practice. A nuanced understanding of the incretin axis—integrating the gut, brain, and pancreas—is now indispensable for clinicians managing diabetes and obesity.

This Continuing Medical Education program, “**Incretin Nexus: Bridging Physiology and Metabolic Therapeutics**,” is designed to offer a comprehensive academic platform that bridges foundational physiology with real-world clinical application.

Through expert-led sessions, interdisciplinary insights, and case-based discussions, this CME seeks to deepen understanding, refine clinical decision-making, and foster meaningful academic exchange.

We warmly invite you to be a part of this enriching scientific experience.

With warm regards,

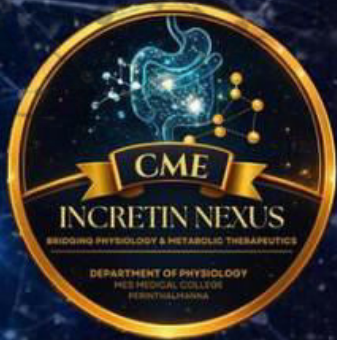

Dr Sheetal L

Professor & HOD in charge
Department of Physiology

MES MEDICAL COLLEGE

Chief Patron:

Dr. P. A. Fazal Ghafoor
Director, MES Medical College

Patrons:

Dr. Girish Raj, Dean, MES Medical College

Dr. Muhammed Sajid A. M, Medical Superintendent, MES Medical College Hospital

Dr. Hameed Fazal, Deputy Medical Superintendent, MES Medical College

Dr. V. Ramachandran, Associate Dean, MES Medical College

Dr. Sheela Sivan, Vice Principal, MES Medical College

Dr. Asokan N, Associate Dean, Clinical Academic & Research, MES Medical College

Dr. Jamaluddeen C. V, Registrar, MES Medical College

VENUE:

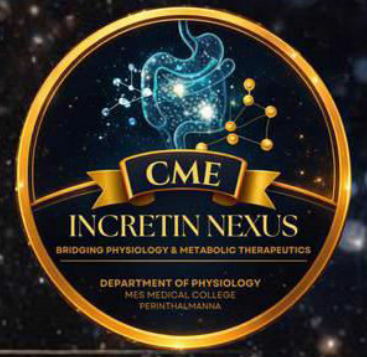

Lecture Hall IV, Academic Block, MES Medical College
Perinthalmanna, Kerala

REGISTRATION

	Faculty	Postgraduates
Early Bird (by 20/05/2026)	₹900	₹700
Spot	₹1200	₹1200

KSMC CME Credit Points Applied

INCRETIN NEXUS Scientific Programme

08:30 AM – 09:00 AM | Registration

09:00 AM – 09:40 AM

Integrated Physiology of the Incretin Axis; GLP-1, GIP and the Gut-Brain-Pancreas Network

Dr. Kunhahammad M P

Professor, Department of Physiology, MES Medical College, Perinthalmanna

09:40 AM – 10:30 AM

Dual Incretin Therapy in Diabetes and Obesity: The Clinical Impact of GIP-GLP1 Agonists

Dr. Thiyagarajan Thangavelu

Professor & Senior Consultant Endocrinologist & Diabetologist, PSG Institute of Medical Sciences & Research, PSG Hospitals, Coimbatore

10:30 AM – 11:15 AM

Inauguration & Tea Break

11:15 AM – 12:00 PM

Gut-Brain Axis and Enteroendocrine Signalling: Gastrointestinal Physiology of Incretin Hormones

Dr. Madhura Prasad Suman

Consultant Gastroenterologist & Director of Endoscopy, VGM Hospital, Coimbatore

12:00 PM – 12:45 PM

Real-World Metabolic Medicine: Clinical Use, Safety and Expanding Indications of Incretin Therapies

Dr. Abdul Jaleel

Professor, Department of Medicine, MES Medical College, Perinthalmanna

12:45 PM – 01:30 PM

The r-DNA Semaglutide: Redefining 1st Line Diabetes Care (Case-Based Approach)

Dr. Vishnu Vasudevan

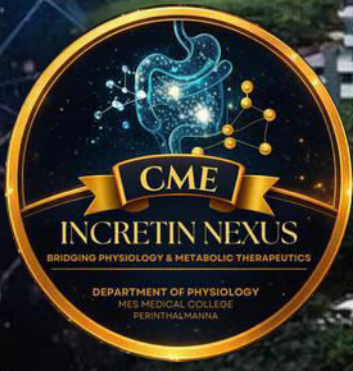

Senior Consultant & Head, Department of Endocrinology, Moulana Hospital Perinthalmanna

01:30 PM onwards | Lunch

02:00 PM – 4:00 PM | Poster Presentations (UG & PG)

04:00 PM – 4:15 PM | Valedictory Function

GUIDELINES FOR ABSTRACT SUBMISSION

- The abstract should be typed in MS word (2010 or later version).
- Font – “Times New Roman”, Font size 12, should not exceed 250 words.
- The title should be in bold letters and first letter of each word should be in capital letter.
- Abstract should include the following headings – Background, Methods, Results, Conclusion and key words (maximum 5).
- Designation, Name of the Institution, WhatsApp Number and Email address should be included.
- Abstract to be mailed as an attachment to:
cmephysiologymes@gmail.com
- Mention the subject as Physiology CME on the email.
- Abstract will be scrutinised by Scientific committee and the status will be intimated back by email.
- Only abstract sent via email will be accepted.
- Last date for abstract submission -28.05.2026

REGISTRATION & CREDIT HOURS

- Registration is mandatory for CME credit eligibility.
- Attendance for the full scientific programme is required to claim credit hours.
- Certificates mentioning accredited credit hours will be issued to eligible participants.
