

MES PATHOLOGY PRESENTS

 **PATH PULSE 2025** 

LEARNING THE BASIC PULSE OF PATHOLOGY

10th -11th MAY 2025

 **MES MEDICAL COLLEGE AUDITORIUM**

Greetings from MES Pathology

The Department of Pathology, MES Medical College, Perinthalmanna, is delighted to conduct the CME programme, PATH PULSE - 2025, dedicated to the foundational principles of Pathology. This academic feast is an attempt to address the apprehensions and needs of the freshers in Pathology, aiming to strengthen the understanding of basics in Pathology.

The CME will feature expert lectures on scope and future of Pathology, approach to making a diagnosis, basics in different aspects of Pathology, and an effective dissertation topic selection. The programme offers live slide projection during presentations and individual slide viewing of the slides discussed during lectures. It is also a wonderful opportunity to network with peers and faculty, fostering a collaborative learning environment.

We invite all first-year post graduates in Pathology (MD/DNB) to this unique and enriching experience. Let us embark on this journey of discovery and build robust foundation in Pathology.

Team, MES Pathology
