MES PATHOLOGY PRESENTS

PATH PULSE 2026

LEARNING THE BASIC PULSE OF PATHOLOGY

02nd - 03rd MAY 2026

LECTURE HALL 1, MES MEDICAL COLLEGE
Perinthalmanna, Kerala

Greetings from MES Pathology,

The Department of Pathology, MES Medical College, Perinthalmanna, is delighted to conduct the second edition of the CME programme, **PATH PULSE – 2026**. This academic feast is an attempt to address the apprehensions and needs of the freshers in Pathology, aiming to strengthen the understanding of basics in Pathology.

This CME features expert talks on scope and future of Pathology, sessions on approach to making a diagnosis that covers the basics in different aspects of pathology, and guidance to proper conduct of the dissertation. The programme offers live slide projection during presentations and separate individual slide viewing. The highlight includes live demo of bone marrow aspiration and FNAC procedures as well as grossing of specimens. It is also an opportunity to network with peers and faculty, fostering a collaborative learning environment.

We invite all first-year postgraduates in Pathology (MD/DNB) to this unique and exclusive enriching experience. Let us embark on this journey of discovery and build a robust foundation in Pathology.

Team, MES Pathology

The number of registrants will be limited to 100.
